Re: United States v. Lawrence Carr
Criminal Docket No. 11-454 (ARR)

Dear Judge Ross:

The government writes in connection with the defendant's December 28, 2011 letter seeking a mental status evaluation. The trial in this case is scheduled to begin on March 26, 2012. In light of the defendant's request, the government respectfully seeks an adjournment of the trial date, and asks that a status conference be scheduled once the issue of the defendant's mental status has been resolved.

The government has conferred with defense counsel, who has no objection.

Respectfully submitted,

LORETTA E. LYNCH
United States Attorney
